and

the 1st chair person of the PTA

Speeches by the chair person of the Young People's Association and the district chief

Speeches by the 1st Chairman
of the association “Actions de Solidarité”

the Deputy Mayor
of Abomey-Calavi

and

handover of the keys

tape cut

We would like to thank the donor from the Krüger company, the employees of Fly and Help and the Federal Ministry for Economic Cooperation and Development for the trust they have placed in us and hope that, together, we can carry out many more projects.

From my heart
Astrid Toda

Side projects of Gbodjoko:

Project N°1: production of moringa powder for better nutrition of the children

Project N°2: composting of biological waste for the production of organic vegetables in the school garden
