

Sponsored Run at Gbetagbo High School  
Republic of Benin  
A campaign "**I share my happiness with you**"

Sale of "building blocks" for the new buildings of the Bobè High School in the municipality of Banté. Each brick sold is worth the equivalent of a real brick for the buildings. Who's in?

**On May 31<sup>st</sup>, 2025**, the first sponsored run will take place **at 9:00 a.m. on the sports field of the Gbetagbo High School** in the district of Akassato of the city of Abomey-Calavi.

The students of the Gbetagbo High School want to express their solidarity with another school in the municipality of Bante that does not have a single permanent school building.

They are setting a sign of solidarity and brotherhood with all other children of Benin and hope that other children will follow their example.

Their motto:

**It is more fun to be happy together than alone.**
